

SOUL SPARKLES

WEDDINGS / CELEBRATIONS / A MOMENT FOR YOU

A little more light for your big day.

Fine silk strands, tied in by hand.
For the bride, for her people,
and for the moments worth celebrating.

Weddings, showers, birthdays and prom.
Every party is different. I plan each one
with you and confirm a quote.

The Diamond experience

\$333 / 90 minutes / 40 sparkle strands

A drink and a few slow breaths. A rose and magnesium foot soak, then scalp and face massage while your feet soak. Forty hand-tied strands, followed by feet dried, massaged and finished with rose cream.

For venues and bridal shops

Share this sheet with your brides and hosts. I will discuss the occasion, confirm availability and plan the sparkles. Printed copies are available to request through the venues page.

Let's plan your sparkles.
